### RETURN ON INVESTMENT

We would like to give your property the finishing touch so you can maximize your investment and make it a real success. The overall effect and first impression are crucial for a successful rental. We will ensure that your property stands out and looks desirable to a broad public. Apartments designed by DEKORE Home Design are rented out quicker and with higher return.

We provide high-quality, result-oriented furniture packages, supplied and installed by us. Our stylish furniture packages are all-in, so you have no further worries and the apartment will be **ready to use for the expat/tenant**.

### RESIDENCE

When it comes to decorating your property, we will guide you step by step towards your ideal home. Based upon your needs and personality, we create a stylish tailor made interior.

"Having excellent references, we are a trustful partner for the total interior and decoration of your (investment) property or residence."
